

In response to the COVID-19 crisis, Stonewood Riding Academy has implemented several enhanced sanitization, hygiene and social distancing measures to ensure the safety of clients and staff.

These measures include but are not limited to:

- Enhanced Social Distancing Measures
- Increase in staffing for branching off in smaller groups
- Increased hand washing and hand washing stations
- Increased Cleaning of High Contact Areas
- Asking those who are sick, showing any symptoms of illness to please stay home from camp. This goes for both campers and staff.
- Individual brush kits disinfected after each use
- Tack cleaned between each use
- Running activities outdoors whenever possible

Stonewood Riding Academy is following the guidelines put in place by our Provincial Territorial Sport Organization, Ontario Equestrian, and our national sport governing body Equestrian Canada.
